Help Support the OMGA Youth!

The Ohio Meat Goat Association (OMGA) is now organizing Boer goat shows from the beginning of May through September. These shows are held at different locations throughout the state of Ohio. Each show will include a Jackpot Wether Show for junior youth, a Junior American Boer Goat Association (JABGA) show, in conjunction with an American Boer Goat Association (ABGA) sanctioned show for open exhibitors.

The Ohio Meat Goat Association (OMGA) is in its 8th year and continually strives to support the youth. This is why the OMGA offers the Summer Wether Series Jackpot shows and Junior breeding shows. These shows give youth, 18 years of age and under, a chance to participate in showing their goats more than once during the year. It also gives them an opportunity to earn prizes and money. Their dedication, enthusiasm and commitment towards the Boer goat industry is truly amazing.

In 2006 an OMGA Youth Scholarship was started to help graduating high school seniors wanting to continue on in higher education. This was established because of sponsorships and donations from people, farms and businesses that want to see these youth succeed.

This is where you can come in. The OMGA can only do scholarships and awards with help from OMGA members, farms, businesses and corporations like you. This is a great opportunity to become involved in the fastest growing segment of animal agriculture and help these dedicated youth receive the recognition they deserve.

As a sponsor your name will be listed in the OMGA newsletter, listed on the OMGA's website, and read the day of the show. Depending on the sponsor level you chose, your name will be put on a banner to be displayed at each show. But the greatest benefit to you as a supporter will be helping the youth of the Midwest in their education in the Agriculture Industry, and towards their goals of success in life. Please consider picking one of the sponsorship categories and supporting the youth.
